

June 12-14, 2019

GRDA Ecosystems and Education Center
420 OK Hwy 28
Langley, OK 74350

Join a diverse group of water quality, water management, conservation and education professionals in northeast Oklahoma for Riverology 101!

This three-day workshop is designed for teachers and environmental educators who will participate in hands-on learning experiences that can easily be used in the classroom.

Participants will also learn about point and nonpoint source pollution, erosion, stream and lake ecology and programs the sponsoring organizations can bring to your school or education event.

Some of the activities are outside and on the water, so come prepared. An email with instructions on what to bring and wear will be sent out two weeks prior to the event.

Early Bird Registration (ends April 30, 2019)-\$50
Registration (after April 30, 2019)-\$75

Registration ends May 24, 2019 and no refunds after this date.

Substitutions allowed.

Registration includes lodging, meals, Illinois River float trip, t-shirt, Project WET curriculum and other educational materials.

Event is co-sponsored by the Grand River Dam Authority, Blue Thumb Program, OSU Cooperative Extension Services 4-H, Ag in the Classroom and the Oklahoma Water Survey.
