

June 17-20, 2020

GRDA Ecosystems and Education Center
420 OK Hwy 28
Langley, OK 74350

Join a diverse group of water quality, water management, conservation and education professionals in northeast Oklahoma for Riverology 101!

This three-day workshop is designed for teachers and environmental educators who will participate in hands-on learning experiences that can easily be used in the classroom.

Participants will also learn about point and non-point source pollution, erosion, stream and lake ecology and programs the sponsoring organizations can bring to your school or education event.

Some of the activities are outside and on the water so come prepared. An email with instructions on what to bring and wear will be sent out two weeks prior to the event.

Early Bird Registration (ends April 30, 2020)-\$75
Registration after April 30, 2020-\$100

Discounted registration (for schools with two or more teachers)-\$50 per teacher

Registration ends May 24, 2020 and there will be no refunds after this date.

Substitutions allowed.

Registration includes lodging, meals, Illinois River float trip, t-shirt, Project WET curriculum and other educational materials. Certificates for 24 hours of Professional Development will be provided at the end of the workshop.

Event is co-sponsored by the Grand River Dam Authority.
